

# Participating in the EFAPA Scholarship Program

EFAPA started the scholarship program two years ago. Nearly \$24,000 was awarded to 23 students during the first two years. In June 2010, EFAPA expects to award nearly \$13,000 to 13 deserving seniors.

You, too, can participate in this worthwhile program by choosing one of the following:

- I/we want to establish a named scholarship.** A named scholarship requires an award of at least \$1,000 a year for one or more years. If you select this option, provide the information requested below and return this page to Sadie Masters. You will be contacted and given more information about establishing your scholarship.
  
- I/we want to contribute to the EFAPA General Scholarship fund.** Those contributing \$100 or more will be listed as funders on a scholarship. The value of an EFAPA scholarship will not exceed \$1,000. Scholarships will be awarded when the fund contains \$1,000 or more. Supply the information requested below and return this page and your check made payable to EFAPA Scholarship Program to Sadie Masters.
