

## Participating in the EFAFA Scholarship Program

During the first seven years of EFAFA's scholarship program, approximately 1,250 applications were received for the 150 scholarships EFAFA has administered and over \$150,000 has been awarded to the recipients. We believe the number of applicants evidence the need to continue the scholarship program and increase the dollars awarded.

You, too, can participate in this worthwhile program by choosing one of the following:

- I/we want to establish a named scholarship. A named scholarship requires a minimum award of at least \$500 for one or more years. Complete the form below and return this page to Sadie Masters. You will be contacted and given more information about establishing your scholarship.
- I/we want to contribute to the EFAFA General Scholarship fund. Those contributing \$100 or more will be listed as funders on a \$1,000 EFAFA scholarship. Complete the form below and return this page and your check made payable to EFAFA Scholarship Program to Sadie Masters.
